

QUESTIONS

The questions that are not marked with a star are subjective.

Have you seen any of these places on the internet before?

Did some of the images make you feel like you have been there or have seen it in dreams?

*What are the origins of the Backrooms?

Have you ever experienced a deja vu?

*Who made the Pool Rooms?

How would you describe liminal spaces?

Do you have memories from your childhood that you can't decide if they were real events or just dreams?

Have you ever seen a person or a place in a dream that you have never seen in real life, but strongly remember?
